You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing. 20-12-28-2018

Who did you talk to (name, title)? Captain Vernon L. Allen When? 11-28-2018What was their response? Negative... Guilty verdict...What action was taken? Excessive Punishment... Due Process Violations... False Testimony & Report...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On 11-20-2018 Counsel Substitute Rachel R. Rowland notified me of case # 20190068975 and I asked her to review video evidence and to interview some witnesses who were around the section where the supposed incident occurred on 12 Building E-Pod C-Section "12E-37, 36, 40, 41, 32, etc." but during the Hearing on 11-28-2018 none of my witnesses were used in my behalf and there was no video evidence whatsoever introduced at this Hearing... The only evidence that was used against me was the still photographs of what Quaja Goodman #1998426 did to himself to deliberately get special attention so he could be around women in the medical department and eat good food and the Hearsay Evidence by Lt. Gwendolyn R. Fuller who falsely claimed to see steam coming off a cup but didn't know exactly what time and at no time did I ever have a hot pot or anything else to make any hot liquid substance nor was I found with any such thing at that time or during the investigation and for Lt. Gwendolyn R. Fuller to refer to some supposed detailed evidence on video that I was denied access to regarding very serious allegations against me. That supposed video evidence would show very serious security violations in action and the fact that Quaja Goodman never reported an injury until days after the alleged incident proves that I hurt himself and also the injury is not consistent with what I supposedly did. The injury was somehow in a perfect circle right on his eye and nowhere else on his face at all which is impossible when throwing something out of a cup. When throwing some liquid out of a cup it immediately spreads out and so if I did what the allegations claim then Quaja Goodman's whole face or whole side of his face would be burned and gravity would have made it go down his face but he had no injury anywhere else but in a perfect circle around on his

Quaja Goodman did know him but that he was a good person and use what I actually did against me to go to the Hospital to fuck haes and eat good. He is extremely mentally ill and I am mentally ill also. So now this sorry ass inmate is getting the attention he wanted while I am punished for what he did to himself and my due process rights have been completely violated and when Captain Vernon L. Allen found me guilty without any hard evidence against me he went on to punish me way above and beyond what a mentally ill incarcerated person in solitary confinement is supposed to receive as a punishment with 45 days recreation, 45 days commissary, 30 days property, 45 days cell restriction, Remain Line 3, and 250 days Good Time Lost.

Action Requested to resolve your Complaint. #2) Overturn case #20190068975. Fix punishment to correct range for mentally ill in solitary confinement. #3) Protection from Quaja Goodman #1998426. Due process granted!

Disciplinary case #20190068975 has been reviewed and no procedural errors were noted. There was sufficient evidence to support the guilty verdict. The punishment imposed was within established guidelines. This is a valid case as Fighting or Assaulting an Offender with a Weapon. Serious Injury will not be tolerated.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be specific). I am dissatisfied with the response at Step 1 because...

Grievance # 2019049908 was not handled properly at all by Warden Pennie R. Kempt who deliberately violated my protected conduct of filing Grievances by falsifying the Grievance Response regarding Disciplinary Case # 20190068975. I was denied witnesses that I requested from Counsel Substitute Rachel R. Rowland... There was no video evidence to backup the claims of Lt. Gwendolyn R. Fuller about steam coming off my cup since I do not or did not even have anything to make hot water at all in the first place. So that Lt. Gwendolyn lied about a serious issue in order to deliberately persecute me as part of the campaign of harassment & retaliation against me being perpetrated by many prison officials & staff here on Michael Unit especially since February 13th 2018 when I was illegally assaulted & battered by prison officials & staff and they stole half my property so I'm not surprised by this further corruption against me now... There are plenty of procedural errors in this Disciplinary Case. There is not enough sufficient evidence to support the guilty verdict. The punishment imposed on me was not anywhere near the established guidelines and has very seriously agitated my mental illness while I'm forced to be in Solitary Confinement being tortured endlessly. Toilet Water by itself is not a weapon at all. And Quaja Goodman's injury was self inflicted to deliberately get special attention and get revenge on me for splashing him and us having disagreements & arguments. He did not even report any injury at all for days after this supposed incident took place and at no time did any Prison Officials or Staff see or report any injury until days later all the sudden He was injured. Quaja Goodman is very seriously mentally ill and perverted sickly to the point where he is more than willing to do whatever it takes to be around Nurses or any Females period to fulfill his sick sexual fantasies that many of us inmates around him heard him talk about out loud on a regular basis like him repeatedly admitting to getting away with fucking a bunch of little girls before getting locked up...

I need this Disciplinary Case overturned and since Quaja Goodman is directly threatening my liberty, I need protection from him from now on and always...

Warden Pennie R. Kempt should stop conspiring with others against my Human & Civil Rights like She has been doing to me on a very regular basis since She got to Michael Unit last year of 2018 up til now. with evil intentions & evil motives...

* Quaja Goodman is truly sick & demented and should be isolated away from others especially women and children anywhere at any time!

Whoever organized the transit chain going to Estelle Unit from the Michael Unit put me on the bus with Offender Quaja Goodman # 1998426 who I was blamed for assaulting and causing injuries to beyond first aid on November 5th, 2018 which caused an Office of Inspector General investigation into those allegations which I denied...

I did not realize he was on the bus til we was already in motion. We got into a fight on the bus that went on for about half an hour or so on our way to the Estelle Unit. When I got to Estelle I waited until I saw a ranking Officer in the hallway - a Lt. and told him what happened. I was being escorted by Officer Alarawangi^{SP?} --- I still have Quaja Goodmans' blood on my clothes but all we really did was wrestle violently until he gave up and he did attack me first in front of everybody too...

I requested protection from Quaja Goodman in Grievance # 2019049908 due to him being a direct threat to my Life & Liberty. He is not supposed to be anywhere near me at all and right now he is only a couple cells away from me so I have to be ready for another attack from this psyche patient who I should've never been next to in the first place? Now I'm not sure what's about to happen next and if he gets close to me again I'm not gonna wait for him to attack me again. It's outrageous how huge of a security violation this is and he may be on the bus with me again and all that keeps popping up in my mind is how he hurt himself and blamed it on me which threatened my liberty so I'm having very bad thoughts about him ~>

that makes me want to do bad things to him... I believe Quaja Goodman was put on the bus with me on purpose to try and harm me because when I got on the bus apparently he was hiding in the backseat until we got going then he attacked me... He wasn't even supposed to be on the Unit with me after such serious allegations were made against me regarding November 5th, 2018 much less on the bus together and it may happen again too. I'm seriously agitated right now due to feeling threatened by an inmate working in a conspiracy with others against my rights ~ a conspiracy that has been ongoing since February 13th 2018 when I was injured illegally by prison staff on

Action Requested to resolve your Complaint.

It did not resolve the complaint in Grievance #2019084077 at all regardless of the actual facts & solid evidence which I presented in the Step 1 Grievance #2019084077, nor did it grant any of my requested actions.

My Human & Federal & State Rights are being violated deliberately by Warden Charles O. Meador II and Major Sean F. Marshall while they were working under color of state law which very greatly increases my punishment way above & beyond what the State Court sentenced me to on December 2nd 2005 specifically by conspiring against my rights et al & together, obstructing justice for a very serious incident and leaving me in a situation where I am still at risk of personal injury or some other serious or irreparable harm that could adversely affect my Life or Liberty, making false statements to cover up criminal behavior & extremely gross negligence done deliberately, violating my Protected Conduct of Filing Grievance by retaliating on me & harassing me for trying to exercise my access to courts rights which Warden Meador has been doing to me for a year now, agitating my mental illness and causing severe mental & emotional pain & suffering to me on purpose, etc. with very obvious evil intentions & evil motives against me...

I have requested Protection from Warden Charles O. Meador many times before in complaints I've filed over the last year but now I need Protection from Warden Charles O. Meador, Major Sean F. Marshall, Quia Goodman, and

Carbon Copied
 Lt. William T. Mullins who personally was directly involved in the events on February 13th 2018 when Prison Officials/Staff assaulted & battered me with serious injuries --- so he sure shouldn't be investigating my Offender Protection investigation in the first place when he allowed his subordinates to hurt me on purpose during that excessive use of force. From February 22nd 2019 to February 26th 2019 on Bus with alleged victim, who attacked me.
On transit medical chain / Bus 2-22-19 to 2-26-19

Medical Chain to Estelle Unit, to Hospital Galveston and back to Michael Unit. Transportation

Keep Quaja D. Goodman #1998426 away from me. Transfer Goodman far away from me.

On February 22nd 2019 right before shift change for dayshift I was told I was on medical chain. When I got on the bus there was already several other inmates on the bus. I did not notice Quaja D. Goodman until the bus was moving at which he popped up from the far backseat from where he had been hiding where I couldn't tell who it was til he got up and attacked me at which time I fought him into submission. I was infuriated and did not want to stop but a few other inmates asked me to chill out several times and I finally did... Quaja D. Goodman #1998426 is the same inmate involved in Disciplinary Case #20190068975 regarding me assaulting him with injuries beyond first aid on 11-05-2018 which I denied the allegations which were also investigated by the Office of Inspector General... I believe he was put on the bus with me on purpose as retaliation for me trying to exercise my access to courts rights non stop ever since I was assaulted & battered by Prison Staff on February 13th 2018 with serious injuries here on Michael Unit due to the fact that in Grievance # 2019049908 I already requested protection from Quaja D. Goodman but Warden Pennie Kempt ignored that request deliberately which has led to this incident at hand. I got Quaja D. Goodman's blood on me during our fight which I sent to my legal representative already...

Nurse Rowe

When?

2-25-2019

What was their response?

What action was taken?

She said I was re-scheduled for surgery.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On February 22nd 2018 right before shift change for dayshift I was notified that I was on medical chain so I had to rush to be ready and an SSI who help Officer B. Neal in the 12 Building Property room had to get my property out the cell... I go all the way to Hospital Galveston and I'm in a cell there and a Nurse - Ms. Rowe comes and tells me that they thought I refused medical chain. I told Her I never signed any refusal and if I did refuse, then why would I even be at Hospital Galveston... She tells me She has a signed Refusal Form and so I ask to see it... She goes and gets it and sure enough my signature is nowhere on the form but there is a signature for a Nurse and an Officer but both signatures are eligible in chicken scratch handwriting... I told Nurse Ms. Rowe that not only did I not sign the refusal and neither of us could read it but on February 22nd 2018 and all through that morning I never was told I was even on medical chain until shift change for dayshift and I never spoke to anyone at medical that night at all about any medical chain whatsoever... ~ Nurse Ms. Rowe spoke to the Doctor who was supposed to do my surgery to work on getting me back on the schedule for surgery on my testicle...

So, not only was I put on chain with Quaj D. Goodman #1998426 who I was blamed for harming with Disciplinary Case #20140068475 regarding a serious incident on 11-05-2018 and whom I asked for protection from in Grievance #2014044408 which Warden Pennie Kempt completely ignored but I was refused my surgery at Hospital Galveston because of more retaliation & harassment by Prison Staff at Michael Unit that has been ongoing since

YOUR SIGNATURE IS REQUIRED ON BACK OF THIS FORM

February 13th 2018 when I really started exercising my access to courts rights to challenge Human & Civil Rights violations and have met great resistance from many Prison Officials & Staff.

There's no good reason or explanation for any of these problems I brought up in this complaint that were caused by Prison Officials & Staff who got me on same bus with Quaja D. Goodman and refused my medical appointment without my consent for a serious surgery with evil intentions and evil motives which has also caused me physical, mental, and emotional pain & suffering and agitated my mental illness even more than ever before...

Action Requested to resolve your Complaint.

Stop retaliation & harassment against me. Transfer me to Estelle Unit so I can get better medical care. Stop interfering with my medical appointments. Keep Quaja D. Goodman away from me.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because.

It did not resolve the issue at all and RN-Kathy Grey had no business responding to my Grievance # 2019087415... I never signed a refusal for my medical appointment on February 25th to February 26th 2019 and that was for a surgery on my left testicle and here it is over 3 months later and I've been denied this surgery because of retaliation & harassment by Prison Officials & Staff here on Michael Unit.

I was also denied my medical chair without my consent on April 5th 2019 for no good reason and here I am left in pain and non stop suffering because Prison Officials & Staff here on Michael Unit want to torture me for me trying to exercise my access to courts rights since February 13th, 2018 up til now. Kathy Grey has violated my Protected Conduct of Filing Grievances and Investigator ID # I 2667 lied about returning the Grievance to me on May 22nd 2019 because I didn't get it back til June 3rd, 2019 at mail call that night because the Grievance Office deliberately held on to it trying to let the time run out but according to AD-0382 this is an Emergency Grievance anyways.

This complaint was not investigated properly by the correct authority at all and not only were my requested actions ignored but I'm still being denied my surgery and other serious medical appointments →

and I'm left in pain & suffering this whole time here on Michael Unit where I am being harassed & retaliated on by many Prison Officials & Staff in a serious conspiracy against my rights out of control. It's torture I'm being subjected to and it's making me have bad dreams, angry outbursts, flashbacks, bad thoughts about others, trouble sleeping, etc.

Grievance Response:

A review of the Step 2 medical grievance has been completed regarding complaint on 2/22/2018, you went to Hospital Galveston (HG) and were told by the named nurse, they were informed you had refused. You complained you were put on chain with the named offender, whom you were blamed for harming. You explained surgery was refused at Hospital Galveston (HG) because of more retaliation and harassment by prison staff. Action requested was for retaliation and harassment to stop, provide transfer to Estelle Unit for better medical care, stop interfering with medical appointments, and keep you away from the offender named.

The appellate review of Step 2 revealed you were scheduled for a Hospital Galveston/O/UROOR for 2/25/2019. A Refusal of Treatment or Services form was signed by nursing personnel with a witness signature on 2/22/2019, not 2/22/2018. Clinic notes reflect a provider saw you on 6/13/2019, at which time you refused assessment for scrotal swelling. A new referral was submitted to Hospital Galveston Urology clinic on your behalf. You may wish to address the status of the referral by submission of an I-60.

Your Access To Care concern has been forwarded for further review by university medical management. The review of available documentation indicates that you did not attempt informal resolution through the medical supervisory staff. Reference Correctional Managed Health Care Policy A-12.1, Attachment A, "Offender Complaints and/or Grievance About Medical Care" for further information on how to informally resolve future medical issues. Complaints against housing or transportation with specific offender's should be directed to classification and security personnel and are not within the authority of the health services division. You will need to address these concerns through the warden's office at the unit level. No further action is warranted from this office through the grievance process.

Here I have been found guilty of case #20190175100 by Captain Statham unjustly. This is the same case that I had overturned in Grievance #2019049908 regarding case #20190068975 at the Central Grievance Office.

This time Counsel Substitute Stephanie P. Ranklin notified me of case #20190175100 on 3-26-2019. I told her I want video evidence and I want the same witnesses that I was denied last time in case #20190068975 that were living in 12 Building E-Pod at the time of the supposed incident at 12E-32, 36, 37, 40, and 41 cell... But she did not see where those inmates were at the time of the incident, instead she just went to those cells almost 5 months after the incident and asked the inmates who live there now questions and none of them knew anything or would even give a statement at all, knowing that inmates get moved around on a regular basis! Then, once again the video evidence was never used in court at all!

Lt. Gwendolyn R. Fuller could not explain why no one reported any injury to Quaja Goodman #1998426 until days later after the supposed incident nor why Quaja Goodman did not report any injury until days later after the supposed incident! ~ The video evidence would show very serious security violations in action and that what I did is not consistent with the injury Quaja Goodman produced days later with a perfect circle right on his eye and nowhere else on his face at all which is impossible when throwing something out of a cup. When throwing a liquid out of a cup it immediately spreads out in a big area so if I did what the allegations claim then Quaja Goodman's whole face or whole side of his face would ~

Quaja is very mentally ill and I am mentally ill too but he was more than willing to do whatever it takes to be around Nurses or any Females period to fulfill his sick perverted sexual fantasies that many of us inmates around him heard him brag about like him admitting to getting away with fucking a bunch of little girls before getting locked up. ~ I am also being punished again with punishment I already did in case #20190068975 in this same case: Rec/commissary/Property/Cell Restriction/etc.

Grievance Investigators Margaret Price, Rachel Rowland, and Melissa Vixtha have all three violated my Protected Conduct of Filing Grievance #2019106382. There was no reason for them to screen my Grievance on a Disciplinary Appeal just because I was explaining what me & witnesses all heard come out of Quaja Goodman's mouth on a regular basis. I had already got this case overturned in Grievance #2019044408 but Warden Charles D. Meador had it re-done under another case # for no good reason. And once again there are serious technicalities of no witnesses, no video evidence, an injury that is not consistent with anything I did, and Lt. Gwendolyn R. Fuller can not explain why no one ever reported any injury to Quaja Goodman until days later and nor why Quaja Goodman himself never reported any injury until days after the supposed injury happened? That is absurd nonsense? I never hurt him at all? He hurt himself so he can go to the Hospital to be around women & eat good? He's sick and perverted?

Everything I explained about him came out of his own mouth? And all we really got to do is look at his record to learn the truth. I was not being "malicious", I was simply stating facts? Please take care of this Grievance like y'all did in Grievance #201904440. Have a nice day too?

Denial of Access To Medical

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Medical Department / On duty Officers When? App 4-5-2019 / 4-9-2019
 What was their response? Provider Sick call / You're on medical chain
 What action was taken? Denied access to medical chain & Provider Sick call

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Late night on April 4th, 2019 I was told I was on medical chain, so on duty Officer got my Property and I waited for chain but Friday 4-5-2019 goes by with no-one coming to get me for that medical chain? I found out that the chain bus left without me because of there supposedly being an inmate on the bus "Quaja Goodman #1998426" who's not even supposed to be on the same unit with me. So I had to sit in my cell with no Property all weekend til 4-8-2019 for no good reason. APR 29 2019

On April 8th, 2019 on Monday morning I wrote Medical an I-60 explaining what happened as far as I knew at that point and when I got it back it plainly states: "Provider Sick Call / Re-Refer / Non-Medical Property" on 4-9-2019. So here is April 25th, 2019 and nothing has been done for either my medical chain or Provider Sick Call at all. I had to wait patiently to see if I'd get pulled out for 2 weeks and counting either way but nothing has happened at all. APR 29 2019

I Keep being denied my medical appointments Systematically and therefore I am being denied access to medical altogether or to medical treatment, which has been an ongoing problem I have faced especially since February 13th, 2018 when I was injured on purpose by Prison Officials & Staff? So whether I was denied medical chain because of "Quaja Goodman" or not doesn't change the fact of me being deliberately denied that medical chain whether he was on the bus or not because he is not supposed to be on the same Unit with me at all due to the severity of our personal problem which involved the OIG, & serious disciplinary issues which I have filed complaints against so... MAY 21 2019

way I was deliberately denied access to my medical treatment.

Then I'm waiting for a Provider Sick Call now for over 2 weeks regarding this medical problem and I can't even get to medical on Michael Unit at all. --- For over over a year every time I've tried to get proper medical attention & treatment I have been denied, delayed, put off over & over again, lied to, ignored, etc... There's no way to explain this harassment & retaliation against me in any logical terms that are also Humane, Lawful, or in harmony with Federal Rights or even State Rights for that matter. I'm being tortured in a conspiracy against my rights deliberately by Prison Officials.

Action Requested to resolve your Complaint.

Stop denying me medical treatment and/or access to medical care. Stop conspiracy against my rights! Get me to my missed medical appointment from 4-5-2019 to 4-10-2019!

it did not resolve the issue in Grievance # 2019114879 whatsoever and all 3 Grievance Investigators: Melissa B. Vixtha, Rachel R. Rowland, and Margaret M. Up to this day I still have not got to Hospital Galveston for the Surgery on my left testicle or hearing problem and I still have not made it to see a provider at all! And thats over 2 months ago now!

I told her I wanted video evidence & I wanted the same witnesses that I was denied last time in case #20190068975 that were living in 12 Building E-Pod at the time of the supposed incident at 12 E-32, 36, 37, 40, and 41 cells. But she did not do that at all to see where these people are now 5 months later after the supposed incident? Instead, she told me at court that she went and asked the people questions who are there now and got no answers. So once again, I've been denied witness testimony. People get moved around on a regular basis on 12 Building!

Then, once again, no video evidence was used in court at all! Then Lt. Gwendolyn R. Fuller could not explain why no one reported any injury to Quaja Goodman #1998426 until days later after the supposed incident or why Quaja Goodman himself did not report any injury until days later after the supposed incident. The video evidence would show very serious security violations in action and that what I supposedly did is not consistent ~

with the injury that no Prison Officials or Staff reported seeing and that Quaja Goodman produced days later with a perfect circle right on his eye and nowhere else on his face at all which is literally impossible when throwing some liquid out of a cup quickly. It spreads out immediately into a big area so the injury would have had to either be on his entire face or the entire side of his face and not in a perfect circle right on his eye and nowhere else. Quaja Goodman is very mentally ill and he did claim to want to go to the Hospital on purpose to fulfill sexual fantasies & eat good where everyone on that section could hear him clearly along with other sick ideas about young girls that he claimed to have gotten away with and about hurting himself to do it.

Action Requested to resolve your Complaint.

#1) Overturn case #20190175100. #2) Protection from Worden Charles Q. Meador and from Quaja Goodman #1998426. #3) Due Process Granted & Just Disciplinary Practices.

SUBJECT: State briefly the problem on which you desire assistance.

Excuse me, I got case #20190068975 overturned in Grievance #2019044408 but it was left to the Wardens discretion to rerun the case which you did in case #20190175100 which I also intend to challenge but the problem is that you told me I would not have to do the punishment again in case #20190175100 that I already did in case #20190068975 but here it is now April 10th 2019 and I am having to do the same punishment again that I already did... You told me on April 4th 2019 this wouldn't happen to me but it did ~ please fix this situation for me and have a nice day...

Who did you talk to (name, title)? Warden Meador & CGO B. Barnett When? 4-3-2019 / 5-1-2019

 What action was taken? Both of them are obstructing justice & conspiring against my rights.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Regarding Grievance #2014084077 both Warden Charles O. Meador and Central Grievance Officer B. Barnett have violated my Human and Federal Rights along with my State Rights while acting under color of State law which very greatly increases my punishment way above & beyond what the State Court sentenced me to on December 2nd 2005, specifically by conspiring together with Lt. William T. Mullins & Major Sean F. Marshall against my rights, obstructing Justice for serious threats against my Life and Liberty and major security violations, making false statements about there being no evidence to substantiate my allegations of my Life being threatened when in fact I was on the bus with Quaja Goodman #19998426 on February 22nd 2019 and we fought with each other after I already requested protection from him on Grievance #2014049908 due to Quaja putting my Life & Liberty in danger in November 2018, trying to cover up evidence of me & Quaja being on the bus together all the way to Hospital Galveston and back which put both of our Lives & Liberty in danger from February 22nd 2019 to February 26th 2019, continuing to retaliate against me & harass me for me trying to exercise my access to courts rights, etc. MAY 28 2019

They know what they are doing and they know it is illegal & very wrong. They are torturing me deliberately and causing me severe mental and emotional pain & suffering and leaving me in a situation where I can still be injured. Quaja Goodman is still on 12 Building currently at 12 Building E-Pod 3-Section. At any time we may cross paths again and things can go bad like it did on the bus on February 22nd 2019.

Who did you talk to (name, title)? Mailroom Staff When? 8-14-2020

What was their response? Dont know what happened.

What action was taken? Received Legal Mail 2 weeks Late from Huntsville, Texas.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Legal Mail coming from the State Counsel for Offenders "Jake Greenberg" postmarked July 22th, 2020 was not brought to me by the Michael Unit Mailroom Staff until August 14th, 2020. That means the Legal Letter sat in the Mailroom for 2 weeks for no good reason at all! That is obstruction of Legal Correspondence and Interferes with my Access To Courts, Petition, and Due Process Rights! It does not take 18 days for a Legal Letter to get from Huntsville, Texas to me. That's being done deliberately! That's serious Legal Mail where things are going on that must be handled quickly! The retaliation against me from prison officials & Staff here on Michael Unit needs to stop! It's been an ongoing campaign of harassment & retaliation against me for me trying to exercise my access to courts rights non-stop since February 13th, 2018! This same incident has happened many times in the same mailroom here on Michael Unit and it needs to stop immediately!
